**Upskill without the commitment of a
full degree. Study in the evening.**

CONTEMPORARY ISSUES IN HEALTH & HEALTH PROMOTION AND WELLBEING

**Address Societal Health Challenges and
Promote Positive Change**

Unlock Your Potential with MAP

Discover the Modular Acceleration Programme (MAP) – a groundbreaking initiative offering free tuition for Higher Technical Qualifications (HTQs) at Levels 4 and 5. MAP provides a flexible and accessible pathway to gain valuable skills and qualifications in various occupational areas, empowering you to advance your career and achieve your goals.

Equip yourself with the knowledge and skills to tackle contemporary health challenges and become a proactive advocate for health promotion. Apply now and make a meaningful difference in your community.

This is what you will study...

CONTEMPORARY ISSUES IN HEALTH MODULE:

- Explore diverse health needs in society and gain insights into health inequalities
- Examine current policies, services, and underpinning ethical values in the healthcare sector
- Discuss how contemporary health needs are changing and how professionals can adapt
- Gain awareness of current policy and legislation
- Benefit from guest lectures by practitioners sharing real-world issues and experiences

HEALTH PROMOTION AND WELLBEING MODULE:

- Develop a thorough understanding of the social aspects of health and wellbeing
- Recognise the importance of health promotion in healthcare
- Gain knowledge and skills to provide effective health prevention and education
- Understand qualitative research methodology, methods, and thematic analysis
- Critically analyse the impact of public health programs on preventable illness
- Develop a health promotion campaign addressing a contemporary public health issue

YOU DO NOT need English or Maths qualifications
YOU CAN have an existing degree in any subject
THIS CAN be used as CPD or to obtain credits towards a degree
